

**YOUR FORMS. OUR SOFTWARE.**

**ONE CLICK**

**CiO is the #1 way for installers to keep all their customer information, paperwork, photos and work schedules in ONE place.**

**USE YOUR OWN FORMS**

**CiO is the only installer software that allows you to use your own forms.** We make it easy to import your forms and auto-populate them with job data from our system.

**FILL FORMS WITH ONE CLICK**

**Auto-populate your forms with one click!** When you import your own forms into CiO, you can easily set them up to auto-populate job data that's already in the system.

**MOBILE SIGN AND SEND**

**Capture e-signatures from mobile devices.** With CiO, you can capture e-signatures right onto your own business documents. Sign, update job status, and send with one click!
